

CLIENTS TESTIMONIALS

Kengen

“

Zamoya Limited is a company that lives up to their philosophy tackling problems with brawn, designing with heart and believing in simplicity, their ever growing portfolio is a testament of their passion to be the best in their business .

My experience with Zamoya is they keep the needs of their customers paramount this is evident with the speed in which they resolve problems, innovate with technology to keep abreast with changing times. We look forward to work with Zamoya in the future because of their professionalism and reliability.

Amara Trust Fund

“

We approached Zamoya in 2009 to help us design a website for us as we are a charitable trust. Zamoya kindly reduced their charges and did all the work for us quickly, efficiently and most patiently (catering to 6 web design challenged women).

We have been most impressed with Zamoya's professionalism and their helpfulness...and we wish them lots of luck in their future endeavours.

AMS Properties

“

The team at Zamoya are very professional and have helped us in every aspect in designing our website, that is creative and innovative. They always place their client first and are very quick to respond to any query that one may have. We are also very pleased with their after sales service. Working with Zamoya was a great experience. Keep it up!
